EXCEPTIONAL SCALE DETAIL

PRO-SCALE PERFORMANCE

Pro-Scale is a new Traxxas innovation that captures true-scale realism and combines it with extreme 6s LiPo power and 50+ mph performance. The Traxxas Unlimited Desert Racer faithfully captures the look and feel of Trophy Trucks and Unlimited Trick Trucks as they charge hard across the desert at full speed.

DRIVING REALISM

The Traxxas Unlimited Desert Racer is engineered on an authentic, true to scale 4-wheel drive desert race truck chassis. The 4-link solid rear axle design provides huge suspension travel with authentic driving dynamics. From the cantilever sway bars to the 8 GTR shocks, Traxxas has accurately reproduced a true unlimited desert race chassis in both form and function.

6s EXTREME POWER

The 50+ mph Unlimited Desert Racer delivers its pro-level performance with brutal 6s power. The VXL-6s ESC combines massive power handling with high-tech telemetry features. An ultra-tough drivetrain harnesses the extreme power to make it easy to control and fun to drive.

Part #	Description
85076-4	Unlimited Desert Racer: Pro-Scale 4WD Race Truck. Ready-To-Race® with Traxxas Stability Management™, TQi 2.4GHz radio system, VXL-6s Brushless Power System, and Licensed Race Replica painted body (FOX or RIGID Industries). Requires: Battery and Charger.
